

DCIT 65 - SOCIAL ISSUES & PROFESSIONAL ISSUES (PORTFOLIO / RESEARCH / INDIVIDUAL ACTIVITY)

TOPIC:

Any topic with concern to Information and Communications Technology (ICT) in the Philippines and its possible solution to any issues involved.

DOCUMENTATION:

We need to follow some guidelines to organize the documentation of your chosen topic:

Format:

Name	Details
General Format	<ul style="list-style-type: none">• Font: Arial• Font size: 11 pts.• Spacing: Double space• Border: Top, Bottom, Right Margins: 1" and Left Margin: 1.5"• Alignment: Justified• Page Size: A4 size• Use third-person perspective on your statement
Page Number	<ul style="list-style-type: none">• Put numbering on your documentation (<i>page number</i>)
Grammar	<ul style="list-style-type: none">• Proofread your narrative
References	<ul style="list-style-type: none">• Written using the APA (7th ed.) format.• The chapter title "REFERENCES" should be written at the top of the page and centered.• All literature sources cited in the narrative report and other materials used as references in preparing the report should be reflected in this section.

Document Structure / Chronological Order:

Title Page

A research paper title page is the first page of your research paper. It is essential to come up with a title page that gives the readers an overview of the research. It should also be structured in a way that gives it a professional outlook.

Structure:

- Title of your chosen study/topic
- Affiliation
- Author / Proponent / Researcher
- Instructor
- Submission

Introduction

- Background of the technology/ies
- Use of the technology in the assigned sectors

Positive Implications of the technology in the sector

- Economic, social, and possible environmental improvements obtained by the sector in utilizing the technology/ies (*claims and supporting premises*).

Negative implications of the technology in the sector

- Professional issues

- Social issues

Summary

Learnings from the Research

- Reflection based on the positive and negative implications of the technology to the sector

References

Written using the APA 7th edition format.

Appendices

Attach ALL the supporting documents here in Appendices. But do not forget to call each supporting document/deliverable (*Introduction to Learnings from the Research*) in your discussion. Explain every Table, Figure, Photos / Images, and Screenshots that you're going to include in your documentation.

POINT SYSTEM/RUBRIC (100 points):

COMPONENTS	HIGHLY SATISFACTORY	VERY SATISFACTORY	SATISFACTORY	UNSATISFACTORY
Background of the technology/ies (10 points)	9-10 Points Contains important information	8-6 Points Contains information	3-5 Points Contains little information	0-2 Points Contains no information
Technology/ies used by the sector (10 points)	9-10 Points Contains important information	8-6 Points Contains information	3-5 Points Contains little information	0-2 Points Contains no information
Positive Implications (Claims and premises) (20 points)	15-20 Points Inclusion of accurate identification of article claim and significant points or premises to support the claim	10-14 Points Inclusion of accurate identification of article claim and relevant points or premises to support the claim	5-9 Points Ambiguity in the identification of the article claim and contains irrelevant points or premises to support the claim	0-4 Points Ambiguity in the identification of the article claim and no points or premises included to support the claim
Negative Implications (Claims and premises) (20 points)	15-20 Points Inclusion of accurate identification of article claim and significant points or premises to support the claim	10-14 Points Inclusion of accurate identification of article claim and relevant points or premises to support the claim	5-9 Points Ambiguity in the identification of the article claim and contains irrelevant points or premises to support the claim	0-4 Points Ambiguity in the identification of the article claim and no points or premises included to support the claim
Summary (15 points)	13-15 Points The organization results in clarity and presents logically arranged points	10-14 Points The overall arrangement is logical but can occasionally be difficult to follow	5-9 Points The arrangement is clear but there are some digressions	0-4 Points The arrangement is haphazard and difficult to follow: the paper strays substantially from the topic
Learnings from the Research (15 points)	13-15 Points Includes several analyses that relate the article to research content and real-life situations	10-12 Points Includes some analyses that relate the article to research content and real-life situations	9-5 Points Includes a few analytical statements that relate the article to research content and real-life situations	0-4 Points Includes general opinionated statements that are unrelated to the research content and real-life situations
Writing Mechanics (10 points)	9-10 Points Writing is clear and concise. Sentence structure and grammar are excellent. Correct use of punctuation. No spelling errors	8-6 Points Writing is mostly clear and concise. Sentence structure and grammar are strong and mostly correct. Few minor errors in punctuation and/or spelling	3-5 Points Writing lacks clarity or conciseness. Minor problems with sentence structure and some grammatical errors. Several minor errors in punctuation and spelling.	0-2 Points Writing lacks clarity and conciseness. Serious problems with sentence structure and grammar. Numerous major and/or minor errors in punctuation and spelling.

SUBMISSION:

The documentation will be submitted on **January 30, 2024 / Tuesday** from **7:00AM** until **5:30PM**. Kindly put your research paper in my pigeon box (*orange box*).
